WATCH US GROW!

A NEW FAVORITE GATHERING PLACE

Tipton Lodge is looking great these days thanks to a new covered porch. We are excited to have a place for campers to use as an outdoor classroom and gathering place. Another bonus is that it updates and improves the appearance of Tipton Lodge.

A Team from Broadway United Methodist Church, led by Jack Parham, began working on the project in May. The porch is now complete. Not only is it a great gathering and meeting place, but it was used as a registration point for new campers.

Hats off to Broadway United Methodist for providing the funds and volunteer workers for this project!

The porch at Tipton Lodge has already become a favorite gathering place even though it is not completely finished.

WHAT IN THE WORLD IS A SABBATICAL HOUSE??

Over the years, the suggestion has been made many times to build a get-away at camp for clergy and other people in ministry. This place would provide needed time apart for spiritual re-energizing. Our new Sabbatical House is just such a place. It is a small log cabin, nestled in the woods, which can be used as a time apart from regular duties.

Concord United Methodist Church volunteers have been hard at work on the new Sabbatical House. The cabin will have a living room with a small kitchen area, a bedroom and a bathroom. The cabin will be heated and air-conditioned.

Many thanks to Concord United Methodist Church for funding this project, and to Charley Bramwell and his team of volunteers for their hard work.

A NEW HOME FOR DAY CAMPERS

The Day Camp Village is an upcoming Capital Campaign project. This area will be devoted to our younger campers. Until now, day campers have not had a space of their own. This area of Camp will be built especially for the safety and interest of younger children.

The Village will be an open area with two rustic structures within a fort-type wall. The structures will be modeled after primitive buildings found in Tuckaleechee Cove near Townsend, TN that were used by the Cherokee Indians during the 1600s. There will also be a rock climbing structure.

If you or a group from your church would like to volunteer to work on the Village, please contact us at Camp Wesley Woods.

SILVER HAMMERS STRIKE AGAIN

Fountain City United Methodist Church's Silver Hammers are sprucing up Tipton Lodge. They have replaced the doors going from the porch into Bell Hall. This team is headed by Troy Lawson. Thanks Silver Hammers!

THANK YOU FOR YOUR MINISTRY AT WESLEY WOODS
