

Camp Wesley Woods (CWW) Adopt a Piece of Camp Program

Purpose: Using the Adopt-a-Mile model, CWW will offer a similar opportunity to any church or group desiring to support the camp by “adopting” a cabin, structure, trail, or site at the camp.

Expectation: Adopting churches and/or groups will be expected to provide general maintenance and grounds support for their adopted “piece of camp”.

Frequency: On site no less than two and no more than four times per year.

Hours: Estimate 15 workhours per on site visit: for example, 5 volunteers x 3 hours = 15 workhours.

Term: No less than one year; preferably two.

Materials: When required, materials will be ordered by CWW. Materials may be paid for by CWW, the adopting church and/or group, or may be cost shared.

Recognition: The adopting church and/or group will be recognized on the CWW website and the Maryville District website; in CWW and Maryville District publications; and with an appropriate sign at or on the adopted entity.
